※交換留学協定校からの受入交換留学生である者または、外国人留学生のうち所定の要件に該当する者のみ履修可。

授業の内容
This course conducts interview activities in Japanese. Plan and conduct interviews based on questions and wants to know about Japanese society, and present the results. If students wish, can publish the content of the interview as an article. Through these activities, aim to improve your conversational skills in Japanese and to think about and deepen your understanding of various aspects of Japanese culture and society.
